Are errors of the blood none of the mind:
Loue made them not, with acture they may be,
Where neither Party is nor trew nor kind,
They sought their shame that so their shame did find,
And so much lesse of shame in me remaines,
By how much of me their reproch containes,

Among the many that mine eyes haue seene,
Not one whose flame my hart so much as warmed,
Or my affection put to th, smallest teene,
Or any of my leisures euer Charmed,
Harme haue I done to them but nere was harmed,
Kept hearts in liueries, but mine owne was free,
And raignd commaunding in his monarchy.

Looke heare what tributes wounded fancies sent me,
Of paly'd pearles and rubies red as blood:
Figuring that they their passions likewise lent me
Of greese and blushes, aptly vnderstood
In bloodlesse white, and the encrimson'd mood,
Effects of terror and deare modesty,
Encampt in hearts but fighting outwardly.

And Lo behold these tallents of their heir,
With twisted mettle amorously empleacht
I haue receau'd from many a seueral faire,
Their kind acceptance, wepingly beseecht,
With th'annexions of faire gems inricht,
And deepe brain'd sonnets that did amplifie
Each stones deare Nature, worth and quallity.

The Diamond? why twas beautifull and hard,
Whereto his inuis'd properties did tend,
The deepe greene Emrald in whose fresh regard,
Weake sights their sickly radience do amend.
The heauen hewd Saphir and the Opall blend

With

With obiects manyfold;
With wit well blazond sm

Lo all these trophies of af
Of pensiu'd and subdew'd
Nature hath chargd me th
